OBJECTIVE

To secure a challenging entry-level position in a reputable organization where I can apply my academic knowledge, communication skills, and problem-solving abilities to contribute to the growth and success of the company. I aim to learn and develop my skills to become a valuable asset to the organization and progress towards a fulfilling career."

WORK EXPERIENCE

JR. Software Developer   2023 (Apr) - 2023(Oct)
Nyros Technologies I Kakinada

"Grateful for my journey as a junior software developer! Every day has been a rewarding adventure, filled with valuable lessons and exciting challenges. From collaborating with talented teammates to constantly expanding my coding skills, I'm thrilled to contribute to innovative projects. Looking forward to continued growth in this dynamic field and exploring new possibilities.

INERNSHIP
